Order no 4762/13th April 1858.

Fort Saint George, Revenue Consultation of 13th April 1858.

No. 34. Read the following Extract from the Proceedings of the Board of Revenue, dated 29th March 1858, No. 1122.

Read Endorsement by the Acting Collector of Canara, dated 29th August 1857, on Government Petition No. 2986 of 1856.

(Here enter No.—.)

The above petition referred to the Board for report contains two requests, (1) that with a view to the completion of Petitioner's Roman Catholic burying ground, and to provide accommodation for their Priest, the Government will grant them a sum of Rupees 1000, half as a donation, the remainder to be repaid by 10 yearly instalments. (2) That a small piece of land adjoining their church and now occupied by them may be granted to them free of assessment.

2. From the Collector's report it appears that the land referred to was applied for in 1849 by the Roman Catholic Priest, and was assessed at the rate of Rupees 12 per acre. He subsequently made a tender for it according to which he was to pay 4 annas yearly until 1859, and thereafter Rupees 9-12-0 its full assessment. Improvements have since been effected, and embankments raised rivetted with stone, and the work still remaining to be done is estimated to cost Rupees 350. The land measures about 24 goontahs, and should never, the Collector states, have been classed as Bagayet. It would not, he adds under the present system be rated at more than 3 Rupees.

3. The Collector proposes, as regards the 2nd request, that the indulgence sought should be conceded and considering that the land is to be used as a burial ground and owes the little value it possesses almost entirely to the improvements effected by Petitioners at their own cost, the Board recommend his suggestion for the favorable consideration of Government.

4. The Petitioners' application for pecuniary assistance appears inadmissible.
