No. 51. Minute by the Honorable D. Elliott, Esqr. Member of the Legislative Council for the Madras Presidency

---

With Mr. Bourdillon's letter dated 23d September 1856, I received papers on the subject of a proposed Census of the Town and Suburbs of Madras, including a Draft of an Act for the purpose, and an Extract from the Minutes of Consultation of the above date containing the views of the Government of Madras on the subject. —

A Bill for taking an account of the population of Bombay having been read a second time and referred to a Select Committee which is to report on it after the 17th December, I have thought it proper to defer taking any steps with the Draft Act for Madras till the Select Committee, of which I am a Member, has made its report. The Bill which may be recommended for Bombay, I apprehend, will be equally suitable for Madras; and if it should appear to be so, the best course probably will be simply to propose a Bill to extend its provisions to Madras. —

(Signed) D. Elliott, Member of the Legislative Council.
