Order no. 514 2/22nd April 1858.

574/2

Fort Saint George, Revenue Consultation of 27th April 1858.

No. 11. Read the following Extract from the Proceedings of the Board of Revenue, dated 29th March 1858, No. 1115.

In Consultation 29th March 1858. Read letter from the Collector of Madras and Register of Government Grants dated 25th February 1858.

(Here enter No. 34.)

Resolved that the foregoing letter with the enclosed list of Grants issued both at Madras and in the Provinces since the year 1774 be submitted for the information of the Right Honorable the Governor in Council, with reference to the instructions conveyed in Para. 7 Extract Minutes Consultation 5th May 1857, No. 415, Revenue Department.

In Consultation 2nd June 1857.

2 The Board remark that the list now submitted to Government together with the precis by the Deputy Secretary to Government, of the records referring to these grants, comprise the whole of the information now extant upon this subject.

3. It has been already noticed in the Board's letter dated 2nd June 1857, that the claims of Government to a fine at the expiry of every 30 years, has been formally relinquished.

4. The fine payable according to law on the expiry of the earliest of these leases will fall due A. D. 1873, and should the law on this point be at that period unchanged, the rights of Government in respect of this fine, or of resumption will be secure under its provisions, nor does it appear possible to anticipate in any way the questions which may then arise. The Board observe however that this has been declared by Government in the case of a recent grant at Negapatam to M. St. Hilaire that the resumption of such land was not contemplated.
