Fort Saint George, Revenue Consultation of 27th April 1858.

No. 13. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to H. FORBES, Esq., Acting Secretary to Government dated Madras 17th April 1858, No. 141.

SIR,

No. 345. I have the honor to acknowledge the receipt of Extract Minutes of Consultation under date 17th Ultimo apprizing me of the receipt from Calcutta of copies of certain records of the Surveyor General's Department and of their being forwarded to the custody of the Chief Engineer, and to state that upon enquiry of that officer it appears that none of the papers relate to the Districts of Rajahmundry and Masulipatam where the survey is about to proceed, and that consequently the present communication from the Government of India contains no reply to the special applications contained in my letters to you of 27th August and 7th November last and forwarded to the Government of India in your letters to their Secretary dated 16th September No. 946 and 27th November 1857 No. 1230 respectively.

2. The Government will I hope therefore concur in the propriety of again addressing the Government of India on the subject, as the papers and information applied for are essentially required by the Superintendent of Revenue Survey in extending the survey operations under the recent sanction to the proposed new field in the North.

Ordered in consequence that the following letter be despatched.

No. 14. From H. FORBES, Esq., Acting Secretary to the Government of Fort Saint George; to the Secretary to the Government of India, Military Department; dated 22d April 1858, No. 515.

SIR,

It appears from a letter No. 141 dated 17th April 1858, from the Director of Revenue Settlement, that none of the papers forwarded by you on 2d January 1858, relate to the Districts of Rajahmundry and Masulipatam where the Survey is about to proceed.

2. I am therefore directed to express the hope of this Government that, as the papers in question are essentially required by the Superintendent of Revenue Survey in extending the Survey operations under the recent sanction, they may be transmitted to Madras with as little delay as possible.
