MILITARY DEPARTMENT.

No. 1147.

Extract from the Minutes of Consultation, 30th March 1858.

Read Extract from the Minutes of Consultation in the Revenue Department, under date the 22nd March 1858, No. 368.

Read letter, from the Acting Collector of Masulipatam, 10th March 1858, No. 12; to the Chief Secretary to Government, Fort Saint George.

Para. 1. I have the honor to submit a memo. showing expenditure I have incurred on account of supplies provided for H. M.'s Royals, and detachments of the Royal Artillery, 12th Lancers, 3rd European Regiment, and I solicit the sanction of Government for Rupees 236-2-3, a loss principally incurred in the item of *straw*.

2. I beg to enclose a copy of a list received from the Commissariat Officer, showing the articles H. M.'s Royals would require, and, as at that time there was no straw or grass in this District, I had to write to the Magistrate of Guntoor who responded most zealously to my appeal.

3. Unfortunately the Acting Sub-Collector, who would have regulated the supply, had suddenly to proceed to Juggiahpetta, and a very much larger quantity was received from Guntoor than was required, especially as the weather became dry and the Soldiers did not require dry straw to sleep on as was expected, moreover the carriage of the straw from the Guntoor side was very expensive, for I paid the District Engineer, Rupees 122-2-9 for boats, &c.,

4. I endeavoured to sell the straw to Native Regiments passing through, but without much success.

5. I regret there has been so much loss to Government, but I trust the Government will see how it was unavoidable, and I am proud to say that my supplies were abundant, and I had not a single complaint, but on the contrary my subordinates hold certificates showing how well satisfied Commanding Officers were.

Memorandum shewing the expenditure incurred on account of supplies provided for H. M.'s Royals &c. in the District of Masulipatam.
