532/2

Fort Saint George, Revenue Consultation of 27th April 1858.

No. 45. Read the following letter from G. S. FORBES, Esq., Secretary to the Board of Revenue ; to H. FORBES, Esq., Acting Secretary to Government R. D., dated Fort Saint George 25th March 1858, No. 1079.

SIR,

I am directed by the Board of Revenue to submit for the information and orders of the Right Honorable the Governor in Council, the accompanying letter from the Collector of Bellary explaining that the sanction of Government conveyed to him in Extract Minutes Consultation 28th November 1857, No. 1234, Revenue Department, for certain alterations in his Moyenzabitah with a view to providing an Establishment for the Printing Press, proceeds on a misapprehension of the arrangements which he proposed to carry out, and that it will be necessary either to postpone the reductions described in his letter of the 24th March 1857, and alluded to in the above mentioned Extract Minutes Consultation, or to sanction a separate Establishment for the press to be paid by Government until the conclusion of the revision of assessment enables him to provide otherwise for its expenses.

In Consultation 12th August 1857.

2. The Board request the permission of Government to postpone the reductions referred to ; this being as it seems to them the simplest way of meeting the difficulty.

No. 46. ORDER THEREON, No. 532; dated 27th April 1858.

The Board of Revenue submit a letter from the Collector of Bellary, requesting permission to postpone the reduction in the Hoozoor establishment * *Ex. M. C. dated 28th Nov.* recently sanctioned, * until the revision of assessment is completed, and to continue the arrangements already made till that time, or to propose a separate establishment for the Press for distinct sanction.

2. The Board recommend that the reduction in the Collector's establishment may be postponed, but they do not state how they propose to work the Press, and it is not clear what "the arrangements already made" for the purpose are. At all events the Government cannot allow the Press to be an extra charge to the State, and any arrangements the Collector may propose to meet its expenses without departing from this principle will receive consideration.

(Signed) H. FORBES,
Acting Secretary to Government.
