No. 135. Read the following Proceedings of the Board of Revenue, dated 2nd March 1861, No. 1,165:—

Read letter from the Officiating Collector of Cuddapah, dated 28th January 1861, No. 12.

(In Cons. 31st January 1861, No. 625.)

1. In his letter dated 28th January 1861, the Acting Collector of Cuddapah forwarded an application from the Reverend Mr. Clay, a Missionary of the Society for the Propagation of the Gospel in Foreign Parts, for A. 9, C. 13, V. 2½ of land in the Town of Jammalamadugu, for building purposes, and recommended that the land should be granted at half its assessment (which is Rupees 34-11-0) in consideration of the Society maintaining a School in that Town.

2. The Director of Public Instruction (whose opinion on the subject the Board sought) states that he has no intention of establishing Government Táluq Schools in Cuddapah, and that he sees no reason why the land should not be granted as requested.

Dated 12th, in Cons. 14th February 1861, *No.* 935.

3. Under these circumstances the Board recommend to Government that the land be granted at the annual assessment of Rupees 17, on condition of a School being established and maintained. The land will revert to its full assessment, Rupees 34-11-0, whenever this condition ceases to be fulfilled.

4. The grant will of course be in the name of the Society, whose agent Mr. Clay is.

It does not appear why so large an extent of land as 9⅓ acres should be necessary for the establishment of a School. The Board will be requested to furnish explanation on this point.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th February 1861.

Read the following letter from A. WEDDERBURN, Esq., Officiating Collector of Cuddapah, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Jummalamadgu, 28th January 1861, No. 12 :—

1. I have the honor to submit an application from the Reverend J. Clay, for a permanent title deed for building purposes for a piece of land, as hereafter specified, and likewise a request from the same gentleman for the remission of a moiety of the assessment on the said land, on the ground that "by the Gospel Society establishing a School in this place, Government will be saved the expense of having one of their own."

2. No objection exists to the issue of the said qualified freehold, and as regards the request for remission, I may state that there is no Taluk School in the Cuddapah District, and that such an institution is much wanted in this vicinity, which is 45 miles distant from the Government Zillah School in Cuddapah, and the object would be most economically obtained at the small sacrifice of Rupees 18 per annum.
