NOTE on the six months' estimate, Land and Supervision, for 1894–95.

Consulting Engineer's Office.—The six months' estimate has been prepared for Rs. 6,016 more than the budget estimate. The increase is mainly due to the rate of pay drawn by the Consulting Engineer being higher than provided for, to the salary of an additional Deputy Consulting Engineer appointed to act for the 2nd Deputy for three months during the latter's absence on privilege leave, and to the grant of compensation allowance to all the officers.

2. The budget estimate for 1895–96 shows an increase of Rs. 3,067 over that for the current year and is chiefly due to the provision made for the promotion of the Consulting Engineer and to the grant of an increased rate of exchange compensation allowance.

3. *Examiner's Office.*—The six months' estimate is the same as that of the current year's budget and the estimate for 1895–96 has been prepared in round figures.

4. *Land.*—The six months' estimate is prepared for Rs. 58,680 or for Rs. 42,680 over the budget grant. Of the excess, Rs. 12,000 is due to non-payment by the Revenue Department of compensation during the last official year, Rs. 23,000 is due to under-estimate by the Revenue Department of land to be taken up at Jalarpet, and Rs. 8,000 is in consequence of unforeseen requirements.

5. The expenditure for the next official year has been entered at Rs. 12,000 which, as far as can at present be estimated, will meet requirements.
