Fort Saint George, Revenue Consultation of 4th May 1858.

No. 67. Read the following Remarks of the Board of Revenue, on a Report on a lapsed Enam dated Fort Saint George 19th April No. 1363.

In Con. 19th April 1858. From the Collector of Salem, 18th March 1858.

From the terms of the accompanying Sunnuds, it would appear that the Enam consisting of four Cawnies of land was never intended to be continued beyond the grantee's life. It was first conferred on him in 1752 for his subsistence, and was twice renewed in his favour by subsequent Sunnuds dated respectively 1758 and 1761.

2. The ready money allowance of Rupees 35 per annum, which forms a part of this Grant, is entirely unsupported by any document; and though enjoyed for many years, there is nothing to shew when, or by whom it was bestowed. Under these circumstances, and also with reference to the views expressed by Government in Extract Minutes Consultation, dated 24th August 1850, No. 779, the Board support the Collector's recommendation for the resumption of the ready money allowance, and the share held by the deceased in the lands appertaining to this Enam.

No. 68. ORDER THEREON, No. 571; dated 4th May 1858.

Para. 1. Under the circumstances represented by the Board of Revenue, the Governor in Council sanctions the resumption of the enam lands and money allowance enjoyed by the late Hayat Beg in the Tripatoor talook, in the District of Salem.

2. It appears from the Collector's Report that the enam lands in question are of the aggregate extent of Acres 23-7-4, whereas the sunnuds of 1758 and 1761 which are stated to be renewals of the earlier one of 1752, contain the grant of only four Cawnies; no explanation of the discrepancy has been given by the Collector, nor is it noticed by the Board, but if, as it would seem, the difference has been occasioned by fraudulent encroachment, it confirms the view long entertained by Government, and expressed in para. 6 of Extract Minutes Consultation 14th August 1855 No. 951, that the State "is enormously defrauded in the matter of enams or rent free holdings," and it occurs to them, that under this view the half share of the enam in the Govindapuram village represented to be in the enjoyment of Ahmed Saheb another member of the family should also be resumed. On this point the Board will be so good as to give their opinion.
