Minutes of Consultation

Back Nos 9 & 10.

Order No 587 D^y 5th May 1858

(128)

212

Sir,

1. With reference to para. 18 of their Acting Secretary's letter dated 23d September 1857, I am directed by the Board of Revenue to submit for the orders of the Right Honorable the Governor in Council the accompanying Supplemental Estimate of charges proposed to be incurred in Fusly 1267 on account of additional Establishments in the (1) Madura (2) Salem and (3) Tinnevely districts.

1 Dated 6th in Consultation 11th July 1857.

2 Enclosure No. 2 in from Salem 8th in Consultation 14th September 1857.

3 Enc. No. 1 in from Tinnevely 23d Dec. 1857, in Con. 1st March 1858, (Nos. 2739-3635-88.)

3. With regard to the charge on this account in the latter district, the Collector explains that of the sum of Rupees 1,524 originally sanctioned Rupees 1,250 have been expended, and that only about half of the work is as yet completed. He however states that the estimated sale proceeds of waste paper already destroyed amounts to Rupees 1,031, and anticipates that the receipts on this account will in a great measure meet the expenditure incurred.

4. It is observed that an Establishment has already been sanctioned for the management of the Yerrachakanainoor Zemindary in Madura. The Board have therefore excluded this item from the Collector's estimate.

5. Under the explanation afforded above, and in the column of Remarks of the Estimate, the Board of Revenue recommend that sanction be granted for the total estimated disbursements on account of additional establishments for Fusly 1267 in the districts of Madura, Salem and Tinnevely, amounting to Rupees 3,424.

6. The Acting Collector of Ganjam has not yet returned his Estimate of additional Establishments but he has been requested to do so without further delay.

already placed at the disposal of Collectors for the purpose, is too scanty to justify Government in sanctioning further expenditure on that account in the same manner.

2. By Extract Minutes Consultation dated 6th January 1854 No. 28, (Board's Circular dated 30th January 1854) Collectors are required to report periodically to the Board on the state of their records and the progress made towards their arrangement and better order; any temporary establishment that may be required for the arrangement should be applied for in that report. If, on the submission of these reports, the Board are satisfied that in any District good use has been made of the money already disbursed, and that real necessity exists for further expenditure, they will address the Government on the subject, and obtain the requisite authority.

3. The Government are of opinion that the Collectors who require temporary establish- ments of the description in question, should, at once, be required to state the years for the ar- rangement of the records of which, a temporary establishment is required, it being understood that the record of all subsequent years shall be arranged and put into order by the permanent establishment, and the Head of each department of a Collector's Office should be held responsi- ble for the complete arrangement of the past records of his Department in the early part of each new year. In the absence of such a rule, the grant of temporary establishments will only serve as an inducement to the permanent establishment to leave their work in arrear and the extra charge to the State will thereby be perpetuated.

Sir,

1. With reference to para. 18 of their Acting Secretary's letter dated 23d September 1857, I am directed by the Board of Revenue to submit for the orders of the Right Honorable the Governor in Council the accompanying Supplemental Estimate of charges proposed to be incurred in Fusly 1267 on account of additional Establishments in the (1) Madura (2) Salem and (3) Tinnevely districts.

	Rupees.
Fusly 1266	1952.
" 1267	3424.
Increase Rupees.	1442.

2. The total estimated charges amount to Rupees 3424, and exceed those of the preceding Fusly by Rupees 1442 as particularized marginally. This increase is chiefly owing to the employment of servants for arranging Records in Madura and Salem.

3. With regard to the charge on this account in the latter district, the Collector explains that of the sum of Rupees 1524 originally sanctioned Rupees 1250 have been expended, and that only about half of the work is as yet completed. He however states that the estimated sale proceeds of waste paper already destroyed amounts to Rupees 1031, and anticipates that the receipts on this account will in a great measure meet the expenditure incurred.

From Govt. 4th in Con. 14th
Augst. 1857 No. 780. R. D.

4. It is observed that an Establishment has already been sanctioned for the management of the Yerrachakanaknoor Zemindary in Madura. The Board have therefore excluded this item from the Collector's estimate.

5. Under the explanation afforded above, and in the column of Remarks of the Estimate, the Board of Revenue recommend that sanction be granted for the total estimated disbursements on account of additional establishments for Fusly 1267 in the districts of Madura, Salem and Tinnevely, amounting to Rupees 3424.

6. The Acting Collector of Ganjam has not yet returned his Estimate of additional Establishments but he has been requested to do so without further delay.
