No. 114. Read the following Proceedings of the Board of Revenue, dated 17th December 1860, No. 5,912 :—

Read the following letter from A. PURVIS, Esq., Collector of the Godavery District, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Cocanada, 22nd November 1860, No. 192.

SIR,

1. In reply to the Board's Proceedings of the 27th September last, No. 4,405, I have the honor to state that the Inám land is taxed free Mirási, attached to the office of Curnum, and the portion taken up for the Cantonment at Samulkotta is estimated to have yielded the holder Rupees 14 per annum.

2. The Curnum consents to receive land of equal value, and I see no objection to the arrangement, the assessment of the land given in exchange being deducted from the Peshkash of the Zamíndár, as the equivalent will have to be given in his Zamíndári.

---

1. Submitted for the information of Government with reference to their Order, dated 22nd September 1860, No. 1,693.

2. The Board recommend that, as proposed by the Collector, land of equal value be assigned to the Curnum in Inám in lieu of that portion of his office Mányam land which was included in the Samulkotta Cantonment, and that a permanent remission be made from the Zamíndar's Peshkash of Rupees 108-5-0 as shown in the margin, on account of the land belonging to the Zamíndári similarly included in the Cantonment, and of that now to be assigned within the Zamíndári as Inám to the Curnum.
