Fort Saint George, Revenue Consultation of 11th May 1858.

No. 61. Read the following Extract from the Proceedings of the Board of Revenue ; dated 29th March 1858, No. 1116.

In Con. 29th March 1858. Remarks of the Board of Revenue on a Statement from the Acting Collector of Madura, dated 1st February 1858, of lapsed Enam.

This Enam appears from the terms of the accompanying Purwanah to have been a personal grant conferred on the great grand father of the deceased for his subsistence, and although its continuance beyond the life of the grantee was not contemplated, yet considering its undisturbed possession by the family for a period of 87 years and looking also at its trifling value (12 Rs.), the Board recommend that as an act of grace it be continued for life to the elder son Syed Hoosman, who it would appear has been enjoying it since the death of his mother which occurred 7 years ago.

(A true Extract.)
