Fort Saint George, Revenue Consultation of 25th May 1858.

No. 46. Read the following Extract from the Proceedings of the Board of Revenue ; dated 8th May 1858, No. 1646.

In Cons. 8th May 1858. Read letter from the Collector of Salem, dated 29th March 1858.

(Here enter No. 30.)

Resolved that the foregoing letter be submitted for the orders of Government.

2. The Collector reports that one Vencatachella Naik, who was employed as a Tanahdar at Vaniembady about 40 years ago, constructed at his own cost a small Choultry for his Cutcherry, and that since his death the building has been used by succeeding Tanahdars and latterly as the Town Cutwall's Cutcherry. The building, the Collector states, is going to ruin, and it is therefore proposed to build a new Cutcherry for the Cutwal on the same site.

3. Under these circumstances, the Board recommend that sanction be granted for the purchase on behalf of Government, of the building and the land on which it stands, at the estimated value of Rupees 35-8, the present owners being willing to dispose of their title to the property for this sum.
