Order no 6757 18th Jan 1858

Fort Saint George, Revenue Consultation of 19th January 1858.

No. 67.

No. 24. Extract from the Minutes of Consultation under date the 18th January 1858.

As the survey and re-assessment of this Presidency will be commenced immediately on receipt of sanction to the Establishments, for which application is now about to be made to the Government of India, it appears to the Right Honorable the Governor in Council to be important that the Government should know how far they may consider that the offices of Director of Revenue Settlement and Superintendent of Revenue Survey are now permanently filled.

2. Mr. Newill, it is observed, has obtained an office equal in emolument, consideration, and importance to that of a Member of the Board of Revenue, and as there is nothing superior in the line of the service to which he has attached himself, as far as human foresight can go, he may be considered to be permanently fixed in his present important office.

3. Captain Priestley holds Her Majesty's Commission, and on promotion, or by the exigencies of the Military service, or on the Corps to which he belongs leaving the Madras Presidency, is liable to be suddenly called away from the duties of the Survey Department. Considering the great importance of those duties, and the very large financial results which will attend their performance, considering also the salary which for their performance the Government have allotted to the Director, the Right Honorable the Governor in Council is of opinion that Captain Priestley may reasonably be called upon to state if he is prepared to retire from the Army and to attach himself permanently to his present duties, in event of those duties being found to be inconsistent with the demands which the Military service may at any time make upon him.

4. Resolved therefore that an Extract from these Proceedings be sent to the Board of Revenue, and that they be requested to ascertain and to submit to Government, Captain Priestley's decision on the matter.

(Signed) H. FORBES,
Acting Secretary to Government.
