*Fort Saint George, Revenue Consultation of 25th May 1858.*

No. 64. Read the following Extract from the Minutes of Consultation in the Public Department under date the 6th May 1858, No. 537.

*Communicating copy of a letter from the Chief Engineer, forwarding and recommending for sanction Plan and Estimate amounting to Rupees 6,950 for a Civil Dispensary proposed to be constructed at Masulipatam.* (Here enter 20th April 1858, No. 730.)

In Extract Minutes of Consultation 17th June 1857, No. 810, the Government signified their readiness to grant Rupees 5,000 towards the erection, at Masulipatam, of a Civil Dispensary, the cost of which was estimated at Rupees 8,000, the balance Rupees 3,000 to be defrayed from local contributions.

2. A plan of a building, approved by the Collector, is now submitted, and the proposed outlay for erection, purchase of ground, &c., is within the sum expected to be available for the purpose.

3. The plan, however, it seems, has not the approval of the Zillah Surgeon, apparently he does not consider the accommodation afforded to be sufficient. He will be called on through the Director General to state specifically what are his objections, and if they arise from want of space, will say how much more should in his view be provided. In such case the District Engineer will report what additional expense will be involved in furnishing the further accommodation desired by the Zillah Surgeon.

4. The Collector of Masulipatam will be called on through the Revenue Department to state whether contributions to the extent expected, viz. Rupees 3,000 have been raised in full towards the erection of the proposed building, and if not, how much has actually been paid in or may be confidently reckoned upon.

(A true Extract.)
