No. 2. ORDER THEREON, No. 688; dated 26th May 1858.

Under the authority of the orders in the Military Department of the 15th June 1858, Mr. Pensioned Apothecary Bastion draws an allowance of 50 Rupees in addition to the pension of his rank for doing duty with the Collector's Department in North Arcot and is declared by the Military Auditor General to be equally entitled with effective Apothecaries to draw full batta when on circuit with the Collector, subject to the usual limitation of ceasing to draw it when a halt of more than ten days is made. It is observed however from para. 2 of the above report that Mr. Bastion's pension of Rupees 80-7 per month already includes batta at half rate, or Rupees 30-7-0. He will therefore be allowed to draw for the period actually on circuit, subject to the limitation above noticed, full batta minus the allowance of 30-7-0 included in his pension.
