Fort Saint George, Revenue Consultation of 1st June 1858.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue, dated 8th May 1858, No. 1658.

Read letter from the Collector of Guntoor, dated 20th March 1858
In Con. 8th May 1858. reporting the amount of fees claimed by the Cauzee of Guntoor from the Cotton cleaners.

(Here enter No. 24.)

Resolved that the foregoing communication be forwarded to
In Con. 23rd September 1858. Government, with reference to Extract Minutes Consultation, No. 940, R. D. dated 15th September 1857.

2. The Board observe that the sum claimed to have been owing to the Cauzee of Guntoor, for the 10 years * preceding the order of Government, disallowing the collection of the fees in question, is Rupees 13,750, and of this amount the Cauzee acknowledges in the statement furnished by him to have received Rupees 1,744-12; so that a balance of Rupees 11,995-4 is still claimed by him. The number of Bows, viz. 1100, upon which the statement is framed is admitted to be assumed on estimate, as the Cauzee's dufters have been damaged and rendered useless by rain during his absence at Madras.

3. The Collector is of opinion that the amount claimed is exorbitant and suggests, that a small sum should be paid as compensation to the Cauzee in full of all demands on this account; or that this Officer should be allowed, if so disposed, to prosecute the parties indebted to him in the Civil Courts.

4. The Board are of opinion that 1,000 Rupees would be a sufficient sum to offer to the Cauzee in compensation for the loss of these arrears, the collection of which seems always to have been difficult and uncertain. The recovery of any portion of the arrears by litigation, was they observe, matter of uncertainty and subject to the usual expenses attending a prosecution.
