

Fort Saint George, Revenue Consultation of 1st June 1858.

No. 13. Read the following Extract from the Proceedings of the Board of Revenue, dated 30th April 1858, No. 1551.

Read letter from the Collector of Masulipatam, dated 7th April 1858, enquiring what construction was to be given to the order of Government in Extract Minutes Consultation 15th March, regarding the restoration to their late proprietors of three Mocassah villages which were resumed by order of Government in Extract Minutes Consultation 27th June 1856, No. 657, Revenue Department.

(Here enter No. 55.)

Resolved that the foregoing letter be submitted for the orders of Government. On comparing the Extract Minutes Consultation of the respective dates above quoted, the Board are of opinion that the fact of these villages having been disposed of in Extract Minutes Consultation 27th June 1856 had escaped the notice of Government. Extract Minutes Consultation of 15th March 1858, R. D. No. 338 refers to an order of Government dated 18th January 1856, No. 63, R. D, in which the case of these villages was reserved for disposal. As Mr. Knox observes they were directed to be resumed on the 27th June 1856, the Board conclude they were resumed accordingly.

2. The Board regret to find that in their Proceedings to Government, dated 25th February 1858, No. 77, the disposal of the case of these villages in Extract Minutes Consultation, dated 27th June 1856, No. 657 should have escaped their attention, an omission which may in some degree have led Government to overlook their former orders on the subject.
