† in Con. 25th March 1858.

Read letters from Collectors to the Board's Circular dated 25th March 1858, No. 1070,* relative to the number of Medical Officers that may be spared to be placed at the disposal of H. E. the Commander-in-Chief.

2. Resolved that the letters noted in the margin be submitted for the information of Government, with reference to Extract Minutes of Consultation, dated 23d March 1858, No. 377,† R. D.

3. It will be seen from the reports now submitted that, in 10 Districts, viz. Guntoor, Nellore, Bellary, Cuddapah, Kurnool, Chingleput, Salem, South Arcot, Trichinopoly and Tinnevely, there is but one Medical Officer attached to each District, and that the Collectors declare none can be spared.

Ganjam.

4. In Ganjam where there are three Medical Officers, two are doing duty with Native Regiments stationed at Cuttack and Russelcondah, the third in charge of the Civil Dispensary at Chicacole, and the Collector adds that the want of one at the Hoozoor is greatly felt.

Vizagapatam.

5. In Vizagapatam there are five including the Superintending Surgeon of the division, and the Collector does not say if any of the number could be spared.

- 1 Garrison Surgeon.
- 1 attached to H. M.'s 69th.
- 1 Do. 38th M. N. I.
- 1 in Civil charge.

Rajahmundry.

6. The Collector of Rajahmundry is of opinion that if the Zillah Surgeon of Rajahmundry is left in charge of the Head Quarters of the Sappers and Miners and the Engineer's Department at Dowlaishwarum, of which he was recently in temporary charge, Dr. Furnell who has just joined to relieve him of that charge may be spared.

Masulipatam.

7. In Masulipatam, there are no Medical Officers in Civil employ in the District. The one attached to the 29th Regiment Native Infantry is also in charge of the Jail and Civil Dispensary, and the other attached to the P. W. D. at Bezoarah affords the Sub-Collector's Department aid when required.

North Arcot.

8. In North Arcot, there are four Medical Officers, one at Chittoor, one at Raneepet and two at Vellore. The Sub-Collector, Mr. Sullivan, in a letter to the Collector says, that as the two Medical Officers in Vellore are not in bonâ fide Civil employ, the question whether one of them could be spared for field service, becomes one for the Military authorities to decide.

Madura.

9. In Madura the Collector has supposed the question to relate to Medical Subordinates. It is within the Board's knowledge however that there are two Medical Officers in the District, one the Civil Surgeon at Madura in charge of the Jail, Civil Hospital and company of Sepoys on detachment, and one at Dindigul attached to the recruiting Depot, neither of whom can be spared.

Coimbatore.

10. In Coimbatore, of the four Medical Officers attached, one is at Coimbatore, two at Ootacamund and one at Coonoor. The Collector reports that the large number of European residents, as also the various Military and Civil Medical charges of the District keep them fully occupied.

Tanjore.

11. The Collector of Tanjore represents that, in a District where there are four detachments of Native Infantry, and one of Europeans, a large body of Uncovenanted servants of the P. W. Educational and Telegraphic Departments, besides those

of the members of the Civil Service and their families, the two Medical Officers there are at present one at Combaconum, and the other at Tranquebar, and are strictly necessary for the requirements of the District.

Malabar. 12. There are three Medical Officers in Malabar, stationed at Calicut, Cochin and Mullaporum, respectively. The Collector reports that none could be spared in consequence of the heavy and responsible charges of the Civil and Military establishments of the District.

Canara. 13. In Canara there are two, one at Mangalore and the other at Honore. The Collector does not say if either of the two could be spared.

In Con. 13th May 1858. 14. With reference to Extract Minutes of Consultation of 19th April 1858, No. 500, R. D., the Board would remark that in submitting the replies of Collectors as received, they deemed it the more expeditious mode of laying the information before Government. The same course was pursued by the Board on a former occasion, when they were called upon to report the number of Medical Subordinates that could be rendered available for service in Bengal.
