Read the following papers :—

From the Agent, South Indian Railway, dated 5th September 1894, No. 904.

ABSTRACT.—Requesting sanction to an estimate amounting to Rs. 6,724, chargeable to Capital, for constructing two powder vans.

From the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, to the Secretary to the Government of India, Public Works Department, dated 25th October 1894, No. 3309 C.

I am directed to request the sanction of the Government of India to an increase of two in the number of "powder vans" sanctioned as the authorised stock of this description of vehicle on the South Indian Railway. If this proposal is approved the total to be entered in column 1, form XII of the half-yearly Capital and Revenue Accounts will be seven.

2. The Agent reports that the five powder vans now in use on the line are insufficient to meet requirements and considers that two additional vans should be provided for use on the Villupuram-Dharmavaram-Nellore section.

From the Under Secretary to the Government of India, Public Works Department (Railway Stores), to the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Calcutta, 8th December 1894, No. 430 R.S.

With reference to your letter No. 3309 C., dated the 25th October 1894, I am directed to communicate the sanction of the Government of India to the authorised number of powder vans on the South Indian Railway being increased by two. With this addition the total authorised number of this description of vehicle on the line will be seven.

ORDER—dated 15th December 1894, No. 698 R., Public Works.

Sanction is accorded to the estimate amounting to Rs. 6,724, chargeable to Capital, for constructing two additional powder vans for use on the Villupuram-Dharmavaram Nellore section of the South Indian Railway.

2. This sanction has been registered as No. 19 R. of 1894–95.

Sir,

I have the honor to inform you that at present there are only five Powder Vans in use on this line and that as the number is insufficient to meet requirements it is considered advisable that two additional Vans should be provided for use on the Villupuram-Dharmavaram-Nellore Section; and I have therefore the honor to forward, for favour of sanction being accorded thereto, — an estimate —, No. 1615, amounting to Rs. 6,724, chargeable to Capital, for constructing two Powder Vans.

A ferrotype copy of drawing No. 437, shewing the design of the Vans in question is also sent.

It is intended to construct the Vans on two out of the six — Cattle truck frames obtained for the Villupuram Dharmavaram Section, which have not been utilised for the purpo
