Fort Saint George, Revenue Consultation of 1*st June* 1858.

No. 87. Read the following Extract from the Proceedings of the Board of Revenue, dated 13th May 1858, No. 1690.

In Con. 13*th May* 1858. Read letter from the Acting Collector of South Arcot, dated 25th March 1858.

(Here enter No. 61.)

Read also letter from the same Officer, dated 30th December 1857, recorded in Consultation 1st March 1858.

Resolved that the above letters be submitted for the orders of Government with reference to the Board's Proceedings, dated 19th December 1857, No. 4619.

2. From these papers, it will be seen that the Dutta Enam No. 23 was entered in the name of Shake Mahomed, the present claimant's father, from Fusly 1235 (1825-26) to 1240 (1830-31) and from the latter Fusly to 1250 (1840-41) in that of the Cavelgar, and finally in Fusly 1251 (1841-42) in that of Shake Madar the claimant's grandfather. The latter entry is said to be an error. There are however no grounds for believing that either the claimant, who is a Peshcar in the district, or his father tampered with the accounts, in which these entries are found.

3. The evidence of the Village Officers, goes to shew the uninterrupted enjoyment of the Enam by the family for a very long period till its resumption in 1842. The grant is, moreover, supported by a deed dated 1779 from one of the Cavelgars of Pitchavarum, and which the Collector remarks has all the appearance of having been executed a great many years ago.

4. The object of the grant is not known, but the fact of its having been made to the grandfather of the present claimant being thus proved, the Board recommend the payment of arrears from the date of resumption, amounting to Rupees 127-4-3, and a life pension equivalent to the annual value of the enam, viz. Rupees 8-7-9.
