Fort Saint George, Revenue Consultation of 8th June 1858.

No. 41. Read the following Extract from the Proceedings of the Board of Revenue; dated 18th May 1858, No. 1783.

In Cons. 18*th May* 1858. Read letter from the Acting Collector of Coimbatore, dated 30th April 1858.

(Here enter No. 77.)

Resolved that the foregoing letter be submitted for the information of Government, with reference to Extract Minutes Consultation, dated 12th April

In Cons. 23d April 1858. 1858, No. 475, R. D.

2. The Board concur with the Acting Collector that it is really desirable to maintain a Traveller's Bungalow at Ootacamund, as the Hotels, two in number, are often full, and temporary accommodation cannot be easily procured elsewhere.

3. The Bungalow will be furnished and a fee charged for its use, so that the expense of the establishment will in all probability be more than met from this source.

(A true Extract.)

(Signed) G. S. FORBES, *Secretary.*

Ordered in consequence that the following letter be despatched.

No. 42. From W. H. BAYLEY, Esq., Acting Secretary to the Government of Fort Saint George; to C. BEADON, Esq., Secretary to the Government of India; dated 4th June 1858, No. 760.

Sir,

On the 5th March last, the Government of India met an application of this Government, for the entertainment of a Sepoy and Sweeper for the Travellers' bungalow at Ootacamund, with the enquiry whether there was any necessity for the Government to keep up a bungalow at a station, where there was no want of hotel accommodation. I am now directed to report that it is thought, both by the Board of Revenue and the Collector, to be really desirable to maintain the public bungalow at Ootacamund; as, although hotel accommodation is to be had at the hills, the only two hotels at Ootacamund are often full, and temporary accommodation cannot be easily procured elsewhere. In his letter of the 9th November 1857, Mr. Thomas adverting to the climate of Ootacamund and the frequency of resort to it for the restoration of health, reported that the Travellers' bungalow was necessary, as people often arrived at night, relying on the bungalow for temporary shelter until they could find suitable accommodation elsewhere. The Acting Collector, Mr. Cherry, confirms the statement of new comers suffering inconvenience from this want of accommodation.

2. Under these circumstances, I am directed to renew the application of this Government, submitted in Mr. Forbes' letter of the 6th February last, No. 160, for the entertainment of a Sepoy on five, and a Sweeper on three Rupees a month, for the care and service of the Travellers' Bungalow at Ootacamund; and to state that, as the bungalow will be furnished and a fee charged for its use, the expense of the establishment will in all probability be more than met from this source.

Sir,

On the 5th March last

the Govt of India made an applica-
tion for the erection of this Govt. for the enter-
tainment of a Deputy and Interpre-
ter Travelling Bungalow at Ko-
taramuk, with the enquiry
whether there was any necessity
for this Govt to keep up a bunga-
low at Nellore, where there was
no want of hotel accommodation.
I was now directed to report that
this Govt, both by the Board
of Revenue and the Collr to be
highly desirable to maintain
the public bungalows at Ootacar-
mund; as, altho' hotel accom-
dation is to be had at the hills,
the only two hotels at Ootacar-
mund are often full, and tempo-

accommodations cannot be easily
procured elsewhere. In his letter of
the 9th Nov/57, Mr. Thomas adverts
ing to the climate of Botacamund
and the frequency of resort to it
in the restoration of health, &c
hopes that the Travellers' Bunga-
low may not pay, as people often
arrived at night, relying on the
Bungalow for temporary shelter
until they could find suitable
accommodation elsewhere, that
the hotels were mostly full, and
beyond the means of many, and
that before the establishment of
the bungalow, the head of a family
having been compelled to sleep
all night in their transit thro'
the. The Acting Colr. Mr. Murray
[illegible] to the Board, con-
firms the statement of many
inconvenienced
persons suffering from this
want of accommodation.

Under these circumstances
I am directed to renew this

Feby last, No 160, for the entertain-
ment of a Sepoy on five, and a
Sweeper on three rupees a month
for the care and service of the
Travellers' Bungalow at Botaca-
mund; and to state that, as the
Bungalow will be furnished and
a fee charged for its use, the expen-
se of the establishment will in all
probability be more than met
from this source.
