Fort Saint George, Revenue Consultation of 8th June 1858.

No. 73. Read the following letter from H. F. BLANFORD, Assistant of the Geological Survey of India; to the Chief Secretary to the Government of Madras; dated Trichinopoly 26th April 1858, No. 22.

SIR,

The Geological Survey of the Nielgherries being completed and the Report thereon being in course of preparation for publication in the "Memoirs of the Geological Survey of India", I have the honor to request that a Map to accompany and illustrate the Report may be lithographed and printed in the Government Lithographic office of Fort St. George free of cost to this Department.

2. I have further the honor to request that the paper for a number of copies not exceeding one thousand be furnished by the Stationary office also free of charge.

3. The Maps previously published by this Department either in the "Selections from the Records" of the Government of India or of the Government of Bengal, or in the present special series having had reference exclusively to the Bengal Presidency have been lithographed and printed free of cost in the Government Lithographic office in Calcutta except when it has been found desirable to have the drawing executed out of office hours in which case Maps have been printed only free of charge, the paper being in all cases furnished by the stationary office.

4. The topographical materials for the present Map are to be found in the Lithographic office, and the Geological details to be superadded will be furnished by myself.

No. 74. ORDER THEREON, No. 776; dated 8th June 1858.

Referred to the Chief Engineer for report as to whether the work referred to in the letter above recorded can be executed in the Lithographic Department attached to his office without additional cost. Colonel Faber will communicate with Mr. Blanford for any particulars he may require to form a correct estimate of the amount of work the map is likely to entail.

2. The Inspector General of Ordnance will ascertain from Mr. Blanford the description of paper that will be required for the maps, and report if the quantity required is available in and can be supplied from the stationery office.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
