The Honorable the Court of Directors
of the East India Company
May I please your Honorable Sir,

In the humble and sanguine hope of meeting with compliance with my solicitation & consideration of the just liberality with which your Honorable Court have treated the cases of others situated in the same predicament with me I venture to address your Honorable Court on the subject of my miserable circumstances.

I am the younger of the two Sons of the late Sedaraniar, Mootahdar of Ramunjary, a property in the Dist of Chingleput, assessed with an annual rent of Rupees 17550. On his demise in 1829, the estate was placed under the management of the Board of Works, under the provisions of Regulation 5 of 1806, for the benefit of the two Mies heirs, myself & my elder Brother. A Venkatayalar was appointed guardian and all correspondence connected with the Mootah was carried on between him & the Collector.

On the 4th Oct. 1835 in which year my elder Brother completed his Majority, estimation was

was given to the guardian, by the then Collector
Cheng Lepet. W. Maclean, that the property will
be made over to the elder Minor; but this was
objected to, & the Collector was desired on the ground ^{of} ^{the} ^{property}, being a valuable one, & myself being
a Minor, to keep my portion thereof under the care
of the Court of Wards; this was not at all noticed,
and the estate was made over to the elder Minor
in 1836, under the instructions of the Board of
Revenue dated 17 December 1835, (and ^{this was} sanctioned
by Government in August 1836.

In 1837, the Morshah was put up to
sale, and purchased by Govt. for Rs 20,100, of
which, 16,343 Rs. was credited to arrears of Revenue.
It will appear to your Honble Court, to be a
matter of great surprise, that a property paying
an annual Rent of 1,550, should have in one year
fallen in arrears of Rs 20,563; a fact that is almost
impossible to be accounted for.

I am a part, & Registered owner of
the property, & your Honble Court will observe, that
my interest in it should not have been thus
neglected & the protect of the Guardian against
the transfer of the estate in my behalf left to the
uncared.

① Inclusion of 3 Memorandum shows the dates
on which I addressed local Officers, to restore me
to

Enclosure
No 4 & 5.

796
I present to Govt., requesting the restoration of my
portion of the property on the payment of the arrears of
Pukush stated to have been due, & the Indorsement thereon
all to the effect that "they cannot interfere in the matter
after the lapse of 25 years" are herewith submitted.

Commattor Mottah in the District of
Chengput, was taken by Govt. 25 years ago & of late
only, a pension was conferred on the son of the Original
Grantor, in consideration of the maintenance he and
descendants were in possession & enjoyment of the estate.

As I was a minor at the time of these
transactions, and as the transfer was effected by the
Guardian, I most humbly pray that your Honorable
Court will take my poor case into your serious con-
sideration, & cause the restoration to me of my portion
of the property on the terms noticed above, or allow
me a small remuneration in consideration of
the profits, I would derive, were I in possession
of the estate & thus confer on your
Honorable Courts humble Memorialist.

For which act of justice & benevolence
I am duty bound shall
