Fort Saint George, Revenue Consultation of 15th June 1858.

No. 38. Read the following Extract from the Proceedings of the Board of Revenue; dated 14th May 1858, No. 1724.

Read letter from the Collector of Bellary, dated 19th In Consultation 14th May 1858. * April 1858.

(Here enter No. 60.)

The Board observe that so long as there remain any topes under the Collector's charge, it will be advisable to leave him to regulate the expenditure on each, according to circumstances within the limits fixed by Government. It seems to the Board unnecessary to insist upon the precision demanded by the Civil Auditor in these arrangements, and which might be found inconvenient in practice. They resolve therefore to submit this question for the orders of Government.

No. 39. ORDER THEREON, No. 800; dated 11th June 1858.

The Collector of Bellary in his letter which accompanied the above Proceedings brings to notice the request of the Civil Auditor to be furnished with the sanction of Government for the entertainment of a fixed number of gardeners for the Government plantations in that district with fixed rates of pay and limiting the amount to be disbursed on this account in each month, to enable him to pass his contingent bills. As Mr. Pelly represents that the expenditure on these topes fluctuates from time to time for reasons stated in para. 5 of his letter, the Government consider it quite unnecessary to define the number of the gardeners, or a fixed rate of pay, and they therefore authorize the Civil Auditor to pass the bills for the management of the topes in the Bellary District, as long as the annual aggregate is within the amount sanctioned by Government on the 12th May 1852, and the income of the new topes sanctioned on the same date.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
