Fort Saint George, Revenue Consultation of 15th June 1858.

No. 44. Read the following Remarks of the Board of Revenue, dated 17th May 1858, on the following Tabular Report on a lapsed Yeoniah No. 1753.

From the Collector of Tinnevelly, 16th February 1858.

Do. do. 27th March ,,

In Con. 9th March 1858.
In Con. 17th May 1858.

From the Sunnud accompanying the report, it seems that a daily allowance of two Madura fanams was assigned out of the Sayer Collections in 1748, by Mahomed Ali Khan for lighting the tomb of a devotee. On the assumption of the country by the British 50 years after, the allowance was commuted to an annual payment of Rupees 95-7-0, and has been continued under the sanction of Government from time to time. Considering the antiquity of the grant, and that the service prescribed by it is still kept up, the Board with reference to the principle laid down in the Honorable Court's Despatch of 18th May 1842, No. 12, p. 8, recommend that two-thirds of the allowance, or Rupees 63-10-0, per annum be renewed in favor of Ullisha Hoossain, eldest son of the late incumbent, from the date of his father's demise on the 1st December 1857.

From Government 21st February in Con. 2nd March 1846, *No.* 228, *R. D.*
From Government 4th in Con. 13th June 1857, *No.* 547, *R. D.*
