Fort Saint George, Revenue Consultation of 15th June 1858.

No. 56. Read the following Extract from the Proceedings of the Board of Revenue; dated 27th May 1858, No. 1902.

Read Petition of this day's date presented by Dhunnoo and Camoo owners of the Brig Futteal Currim enclosing a certificate signed by the Salt Agent at Chittagong, permitting them to transport 4,000 Maunds of Salt from Escapilly to Chittagong, and praying that the Collector of Nellore may be ordered to permit the shipment of the Salt on a vessel belonging to one Lutchmiah to whom they ask to have their certificate transferred.

(Here enter No. 1474 of 1858.)

Petitioners state that the Futteal Currim was lost in the late gales and are desirous of carrying out their contract on another ship by means of a third party. As the Salt is paid for at Escapilly by the shipper before shipment and transported to Chittagong at his risk, and as it is for the interest of Government that existing engagements for the transport of Salt should be carried out, the Board authorize the Collector of Nellore to permit the shipment of the quantity of Salt specified in the certificate on a square-rigged vessel by Lutchmiah, provided the vessel tendered is considered seaworthy.

Ordered that copy of these Proceedings be submitted for the information of Government. Copy will also be sent to Nellore and the following endorsement will be passed on the petition;—

"Petitioners are referred to the Collector of Nellore to whom orders have been sent to admit the substitution of another vessel for the Futteal Currim, provided the same is seaworthy."

The Board observe that intimation of this arrangement should be made through the Government of Bengal to the Agent at Chittagong as soon as the name of the vessel to be employed has been ascertained.

(A true Extract.)

(Signed) G. S. FORBES, *Secretary.*

Ordered in consequence that the following letter be despatched.

No. 57. From W. H. BAYLEY, Esq., Acting Secretary to the Government of Fort Saint George; to the Secretary to the Government of Bengal, dated 12th June 1858, No. 809.

SIR,

1. I am directed by the Right Honorable the Governor in Council to request, that the Bengal Government will be good enough to intimate to the Salt Agent at Chittagong that, on a petition presented by Dhunnoo and Camoo, owners of the Brig "Futteal Currim" wrecked in the recent gales, the Board of Revenue at Madras have authorized the shipment of the 4000 maunds of Salt, which they were permitted by a certificate of the Agent to transport from Eskapilly to Chittagong, by means of a third party, one Lutchmiah, provided his square riggid vessel which he has tendered for the purpose proves to be seaworthy.

2. A further communication will be made, so soon as the name of this vessel has been ascertained.

to F. G. Gen: 12 June 1858.
