Fort Saint George, Revenue Consultation of 15th June 1858.

No. 64. Read the following Extract from the Proceedings of the Board of Revenue; dated 27th May 1858, No. 1886.

In Consultation 27th May 1858.

Read letter from the Collector of Tanjore, dated 8th May 1858.

(Here enter No. 84.)

Resolved that the above report be submitted for the information of Government with reference to their Endorsement on Petition No. 970 of 1857.

2. The enam was granted in 1779 by the then Rajah, and was held by the original grantee's family in 1802. The grant is consequently valid, and the Board see no objection to Petitioner being permitted to sue for the portion which he states that his tenant will not restore.

3. It will be the duty of the Collector to take care that the water pandal is duly kept up.

(A true Extract.)

(Signed) J. D. SIM, *Sub-Secretary.*

No. 65. ORDER THEREON, No. 813; dated 14th June 1858.

From the Collector's report submitted with the Board's Proceedings above recorded, the Enam in question appears to have been granted for the Establishment of a water pandal, and as such it falls under Regulation VII. of 1817 and no permission of Government for the parties to sue in the Civil Courts appears to be necessary (Vide Section XIV). But as the Board do not appear to have considered the point their opinion is requested.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
