Fort Saint George, Revenue Consultation of 15th June 1858.

No. 83. Read the following letter from H. F. BLANFORD, Esq., Assistant of the Geological Survey of India; to the Chief Secretary to the Government of Madras; dated Trichinopoly, 17th May 1858, No. 28.

SIR,

I have the honor to request that the Medical Dresser attached to the Madras party of the Geological Survey of India* be in future placed on the permanent establishment of this Department, and be permitted to draw his pay and allowances through the Superintendent of the Survey, the same being debited with the other expenses of the establishment, to the Supreme Government.

* *Ex. M. C. No. 756 of 28th July 1857. No. 789 of 6th August 1857.*

I am induced to make this request, at the suggestion of the Superintendent, in order to obviate the necessity of drawing up a special series of abstracts and certificates for the comparatively small sum of about 30 Rupees (to which the Dresser's pay and allowances amount,) and also to avoid the trouble and delay consequent on obtaining drafts on the Civil Treasuries for so small a sum, and sending them into the Treasury at frequently a considerable distance to be cashed. Were the Dresser placed on the same footing as those attached to the Geological Survey parties in Bengal, his pay, &c., would be included in the sum drawn monthly and upon a simple receipt for the current expenses of the party, and thus much correspondence and delay would be avoided.

By thus placing the Dresser on the survey establishment, he would be under the orders of the Superintendent of the Survey or temporarily under those of the Assistant in charge of the party to which he is at the time attached, and thus the Muster Roll and other Military forms now drawn up monthly by the Dresser and forwarded to the Paymaster and Superintending Surgeon would be dispensed with, the circumstances of the Dresser's present civil employment being such as to render these papers of little real value.

No. 84. ORDER THEREON, No. 822; dated 15th June 1858.

The Government approve and sanction the arrangement recommended by Mr. Blanford in the above letter in respect of the salary and allowances of the Dresser attached to the Madras party of the Geological Survey, and resolve to communicate the same to the Military Department, and the Director General of the Medical Department with reference to the correspondence noted in the margin, as well as to the Military Auditor General and Civil Auditor.
