Fort Saint George, Revenue Consultation of 22nd June 1858.

No. 26. Read the following Extract from the Proceedings of the Board of Revenue, dated 15th May 1858, No. 1738.

In Consultation 5th May 1858. Read letters from the Collector of Trichinopoly, dated 1st and 17th April 1858.

(Here enter Nos. 54 and 62.)

In Consultation 26th March 1858. Resolved that the above letters be laid before Government with reference to Extract Minutes Consultation 10th March last, R. D., No. 312.

2. In para. 9 of their Proceedings dated 14th August last, No. 2713, the Board stated that the total loss sustained by Government in consequence of the frauds committed in the Stamp Department of the Trichinopoly District and then reported, amounted to Rupees 801 for Rupees 214 of which the Collector's Establishment was answerable, the District Moonsiff and his office being responsible for the remainder.

3. The Collector now reports that by a clerical error in his previous communication, the proper refund in Suit No. 400 was entered as one instead of four Rupees. The sum for which his office is answerable is thus reduced to Rupees 211. Of this amount Rupees 69 have been recovered from Appajee Row and Kistnasawmiah. For the remainder Rupees 142, Venkatachella Naik, the other person mentioned in para. 2 of the Extract Minutes Consultation 10th March, would have been held responsible but for his death some time since. The orders of Government in the above para. have thus been carried out so far as was practicable.

4. In para. 3 of the same Extract Minutes Consultation, Government ordered that 10 per cent. of the loss sustained should be deducted from the pension of Babojee Row, who was Head Sheristadar when the frauds occurred. The actual loss suffered by Government through the neglect of the Collector's servants has been Rupees 142, and the Board conclude that 10 per cent. of this sum only is to be deducted and not one-tenth of Rupees 211, as supposed by Mr. Bird.

Rupees..... 14-3-2.

5. Babojee Row has since died and arrears of pension to the amount of Rupees 214-10-8, are due to his heirs. On receiving the orders of Government as to the sum to be made good the Board will instruct the Collector to deduct it and pay the balance to the family of the deceased.

6. The Collector states that every effort has been fruitlessly made to arrest Soobba Naick, and that neither he nor his family possess any property. As nothing will be recoverable even in the event of his apprehension hereafter, the Collector recommends that the net loss may be written off the accounts. The Board think this course may now be conveniently adopted.

No. 27. ORDER THEREON, No. 840; dated 18th June 1858.

1. The Right Honorable the Governor in Council concurs with the Board of Revenue in the opinion expressed in para. 3 of their Proceedings above recorded, that 10 per cent. on the *actual loss* suffered by the Government, through the neglect of the Collector's servants, should be recovered from the Head Serishtadar's pension under the orders of Government dated 10th March last, No. 312, (para. 3).

Such loss after deducting the sums recovered from other servants amounts to Rupees 142. The Board will therefore instruct Mr. Bird to deduct from the arrears (Rupees 214-10-8) of Babojee Row's pension Rupees (14) fourteen and to pay the remainder to his heirs, Babojee Row himself being reported to have died.

2. The Collector and the Board recommend that even if Soobba Naik is apprehended nothing will be recoverable hereafter. The net loss may therefore be written off the accounts. Such loss amounts to Rupees (715) seven hundred and fifteen, and the Right Honorable the Governor in Council authorizes the same to be written off the accounts after it has been verified by the Superintendent of Stamps, as recommended by the Board in para. 12 of their Proceedings dated 14th August 1857, No. 2713.

3. The Collector seems to think that some alteration should be made in Babojee Row's pension certificate to enable him to deduct the money above alluded to from his pension, but such is not necessary. Babojee Row having died, the certificate in question and Mr. Bird's letter dated 17th April 1858, No. 11, received with the Board's Proceedings above recorded, will be transferred to the Public (Separate) Department to be disposed of as usual.

Acting Secretary to Government.
