Fort Saint George, Revenue Consultation of 22d June 1858.

No. 48. Read the following Extract from the Proceedings of the Board of Revenue; dated 8th May 1858, No. 1656.

In Cons. 8th May 1858.

Read letter from the Collector of Bellary, dated 24th March 1858.

(Here enter No. 43.)

In Cons. 26th February 1858.

Resolved that the foregoing letter and its enclosure be laid before Government, with reference to Extract Minutes Consultation, dated 20th February 1858, No. 225, R. D.

2. It will be observed that when recommending the entertainment of an Extra Police force for the eastern Pettahs of Bellary on their transfer from the Military to the Civil authorities, it was proposed that the scavenger Carts and Cattle required for the town should be obtained as usual on indent from the Commissariat Department.

Fort St. George Gazette for 1857, page 890.

3. The Collector now reports that the Government have prohibited this practice, and that consequently the Superintendent of Police has had to hire Cattle and drivers for this purpose.

4. Under these circumstances, the Board recommend that sanction be granted for the employment of 6 scavenger cart-bullocks and drivers, at a monthly cost of 84 Rs. or Rs. 14 per cart, for the eastern Pettahs from the 10th March 1858, the date on which the Pettahs were transferred from the Military to the Civil authorities. As it is stated that the hire of the Cattle and Drivers is likely to vary, the Board approve of the Collector's propositions, to carry to the credit of a fund for petty municipal purposes, any surplus that may remain above the amount now submitted for sanction, as well as any profits derived from the sale of sweepings.

In M. S.

5. Resolved that para. 3 of the Collector's letter be communicated to the Quarter Master General of the Army, with a request, that he will have the plan alluded to prepared and transmitted to Mr. Pelly as early as practicable.

No. 49. ORDER THEREON, No. 851; dated 19th June 1858.

Resolved that an application in the usual form be submitted to the Government of India for their sanction with the following recommendation.

To Govt. of India dated 4th Dec. 1857, No. 1254.
From Do. 15th Jan. 1858, ,, 139.

"The Government of India are aware that a certain portion of the Military Cantonment of Bellary has been recently transferred to the Civil Authorities. When the Pettahs were under the Military Authorities the Scavenger Carts and bullocks required for cleaning the Pettahs were supplied by the Commissariat Department, but subsequent to G. O. G. 28th November 1857, No. 377, (Fort Saint George Gazette, page 890) prohibiting the employment of public cattle on such work, the cattle &c., were hired by the Military Police Officers. Now that the Pettahs are transferred to the Civil Authorities it is desirable that they should be kept in the same clean state in which they were previous to the change, and it is therefore recommended that the charge here applied for may be sanctioned.

Mr. Under Secretary Dalrymple's letter dated 5th January 1858, No. 16.

The Government are aware that the Supreme Government are averse to authorizing Municipal charges from the Public Treasury, but the present is a special case as the provision for cleaning the locality in question has long been made by Government, and the inhabitants thereof are already taxed with Moturpha to the extent of nearly Rupees 7,000."

2. Pending the receipt of the sanction here applied for Mr. Pelly will provide for the charge by a Contingent Bill.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
