The Board beg to call the attention of Government, to their Proceedings dated 20th April 1858, No. 1385, in which the entry of a surveyor is explained to be necessary, unless the less reliable measurements of a native are deemed sufficient.

No. 66. ORDER THEREON, No. 860; dated 22nd June 1858.

The Government did observe the Proceedings of the Board of 20th April 1858, but considered the explanation offered quite insufficient. They are requested to state why it is *necessary* for the Surveyor to enter a house in order to ascertain its area. The whole question hinges on his necessity; and the Government expect complete and full explanation. It may be as well to call for a written report on this point from Mr. Walker and also from Mr. Plumbe.

(Signed) W. H. BAYLEY,
*Acting Secretary to Government.*
