Fort Saint George, Revenue Consultation of 22d June 1858.

No. 71. Read the following Extract from the Proceedings of the Board of Revenue, dated 4th June 1858, No. 1974.

In Consultation 14th May 1858. Read letters from the Collector of Vizagapatam, dated
In Consultation 4th June 1858. 23rd April and 20th May 1858.

(Here enter Nos. 61 and 84.)

Resolved that the above report be laid before Government, with reference to their Endorsement on Petition No. 2938 of 1858.

2. The Collector explains that it is customary in the Vizagapatam district, to assess persons with Moturpha, according to the nature and extent of their business, and not according to the rates fixed for similar trades in other villages. From the abstract given in the margin of para. 2 of this report, here appears to have been little variation in the gross amount of Moturpha levied from Petitioner, but the maximum is much higher now than it was in Fusly 1258, although the numbers have increased. This, as well as the decrease in the minimum rate is owing, the Board presume, to a different estimate of the profits of the payers.

3. The amount to be paid by Petitioner hereafter will, the Collector adds, be considered at the commencement of next Fusly.

(A true Extract.)
