*Fort Saint George, Revenue Consultation of 2d July 1858.*

No. 20. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests; to the Secretary to Government, Revenue Department, Fort Saint George; dated Toomkoor 28th May 1858, No. 348.

SIR,

Having visited the Conolly plantation at Nellumboor in August last, and found that the young trees planted at 10 feet apart required careful thinning, I directed Mr. McIvor to proceed there in the dry season and carry out the necessary operations, without which great injury would have occurred to the Teak plantation. I am informed by the Acting Collector that the work has been carefully executed.

2. I have the honor to solicit the sanction of Government for the disbursement of travelling allowance to Mr. McIvor at 4 annas per mile which in the aggregate will amount to Rupees 30-8-0.

3. Mr. McIvor has had his expences paid on the occasion of previous periodical visits, but the bill has been returned unaudited for the special sanction of Government.

No. 21. ORDER THEREON, No. 875; dated 25th June 1858.

Dr. Cleghorn will be pleased to refer Government to any correspondence shewing that Mr. McIvor had his expences paid do previous occasions.

(Signed) W. H. BAYLEY,
