Fort Saint George, Revenue Consultation of 2d July 1858.

No. 28. Read the following Extract from the Proceedings of the Board of Revenue, dated 28th May 1858, No. 1914.

In Cons. 28th May 1858. Read letter from the Collector of Tanjore, dated 8th May 1858.

(Here enter No. 85.)

Resolved that the above report be laid before Government with reference to their Endorsement on Petition No. 2317 of 1857.

2. The Survamanium Garden claimed by Petitioner comprises 8 Mows and 60 Goontahs, occupied by a tope. The grant is unsupported by a Sunnud and is not registered, but is stated to have been made 100 years ago. The tope is the usual burial place for men of the Gosaye caste who may die whilst on pilgrimage to Rameshwarum.

3. The Collector regards the Enam as an alienation within the scope of Regulation VII. of 1817, and considers that Plaintiff can sue for it under Section XIV. of that enactment without permission from Government.

4. The Board are disposed to adopt this view, but it seems necessary, in the first instance, that Government should formally recognise the grant, which apparently has not been done hitherto. In consideration of the length of time during which the family has held the land and particularly of the purpose to which it is applied, the Board recommend that the grant may be recognised and Petitioner left to settle her claims by a Civil Suit under Regulation VII. of 1817, if she is so disposed.

5. It will be the duty of the Collector to see that the land continues available as a burial ground.

(A true Extract.)

No. 29. ORDER THEREON, No. 879; dated 26th June 1858.

Collector's letter. The Board of Revenue will be good enough to cause an investigation to be made into the grounds on which this Inâm is claimed; it is said not to be registered, and has no Sanad, though "*it is stated* to have been granted 100 years ago." Without some better proof than this of title to hold the Inâm, the Government are not disposed to recognize it.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.

No 879

The Board of Revenue will be good enough to cause an investigation to be made into the grounds on which this Inam is claimed. It is said not to be registered and has no Sanad, though it is stated to have been granted 100 years ago. Without some better proof than this of title should the Inam, the Govt are not disposed to recognize it.
