Fort Saint George, Revenue Consultation of 2d July 1858.

No. 41. Read the following Extract from the Minutes of Consultation in the Judicial Department under date the 16th June 1858, No. 794.

Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudr Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 5th June 1858, No. 40.

SIR,

I am directed by the Judges of the Sudr Udalut to bring to the notice of Government that, on a Petition being presented to them by Madhavarow, the Nazir of the Subordinate Court of Cuddapah, (whose removal from Bellary to Cuddapah was ordered by Government under date the 24th December 1855,) praying that he might be re-transferred to Bellary, as he had been subject to frequent attacks of illness since his removal to Cuddapah, and had been incapacitated for the performance of his duties, they called upon the Subordinate Judge of Cuddapah to report whether the statement of the Petitioner was correct, and that Officer, in his reply, states that Madhavarow was absent from his duties on several occasions from illness, for a period in the aggregate of not less than 5 months, and that "for some months prior to taking leave, his appearance from ill-health was truly pitiable, and manifestly indicative of the climate of Cuddapah not agreeing with him."

2. Under these circumstances, and as the Judges believe that Madhavarow has given entire satisfaction to those under whom he has served; and no risk of prejudice to the public interests can now be anticipated by his re-transfer, since it appears from the accompanying statement received from the Civil Judge of Bellary, that Madhavarow has at present but few and those unimportant connections in that District; the Judges are opinion that his case is one deserving the consideration of Government, and they accordingly strongly recommend that he may be allowed to return to Bellary on an opportunity for his employment there occurring, either in the Revenue or Judicial Department.

Statement exhibiting the nature of relationship existing between the employees of the Civil Court, and those of the several Courts of Judicature, &c., in the Zillah of Bellary.

Under the circumstances represented by the Court of Sudder Udalut, the Right Honorable the Governor in Council permits the re-transfer of Madhava Row, the Nazir of the Sub-Court of Cuddapah, to the Bellary District on an opportunity offering for his employment there either in the Revenue or Judicial Departments. There seems no reason why the transfer should not take place at once, if the party who fills Madhava Row's former place at Bellary, or any Officer of similar grade there does not object.
