Fort Saint George, Revenue Consultation of 26th January 1858.

No. 23. Read the following Extract from the Proceedings of the Board of Revenue; dated 14th December 1857, No. 4519.

**In Consultation 14th December 1857.*

Read letter from the Collector of Rajahmundry dated 29th September 1857,* supplying further particulars respecting the Enam restored by the Commissioner Northern Circars.

(Here enter No. 126.)

Resolved that the above letter be submitted for the information of Government, with reference to Extract Minutes Consultation dated 20th January 1857, No. 69, R. D.

2. The Board are not quite certain whether the 10 Pootties of Enam were really included in the assets of the Estate or not. The marginal entry at the close of the Collector's letter shows that their *extent* was included, but they are also there described as "exempt from tax" so that the Board are in doubt whether they formed part of the *assests*, in the sense of contributing to the income of the property.

3. The Collector will explain this and will also state whether the Enam now referred to really forms part of the 10 Pootties mentioned in the account. The original Enam was stated to have comprised 16 Pootties.

(A true Extract.)

(Signed) J. D. SIM, *Acting Secretary.*

No. 24. ORDER THEREON, No. 88; dated 22nd January 1857.

In Extract Minutes of Consultation 20th January 1857, No. 69, the Government called for certain information which was necessary before recognizing an apparently irregular act of the Commissioner in the Northern Circars, who restored a certain enam to a Brahmin in Rajahmundry, which had been granted by a former Zemindar of Peddapoor, and subsequently resumed. The points on which the Board were requested to afford information were specified in paras. 3 and 4 of the Extract Minutes of Consultation above quoted; and they were further asked to report whether any other enams had been granted in the Northern Circars without the knowledge and permission of Government, and if so, to submit a statement of such enams shewing the particulars of each case.

Para. 5.

2. The Board's reply to the order of Government is recorded above, but only one of the points mentioned in the order is touched upon; and the Board are not certain as to the Collector's meaning respecting even the one point referred to in his letter. The Government do not share in the doubts expressed by the Board as to the Collector's meaning, they consider that there is no reason to question the facts that the village of Rungapooram was included in the assets of the Zemindary, and that the ten Pooties of land deducted had no connection with Vencatacharloo's enam. The Government believe that in all permanent assessments the village Maniems are deducted in the mass, and that therefore the ten Pooties deducted refer to those enams, and not to the sixteen Pooties granted to Vencatacharloo's widows.

Dated 29th Sept. 1857, No. 126.

3. The Right Honorable the Governor in Council is unable to accept the present Proceedings of the Board, asa compliance with the former order of Government, and the Board will be requested to submit a fuller reply to that order, which already dates nearly one year back.

(Signed) H. FORBES,
Acting Secretary to Government.

We are more doubtful to
draw a distinction between
the land & the revenue
as the Bd have done
& think the order might
be more explicit
on that head.

The Govt do not share in the
doubts expressed by the Board
as to the Collectors meaning-
they consider that there is no
reason to question the fact
that the village of Ramgar
poram was included in the
limits of the Zemindary, and
that the ten pootics of land
described had no connection
with Venkatacharlooos Enam.
The Govt believe that on
all Permanent Assessments
the Village maniums are
declared in the map and
that therefore the ten pootics
declared to refer to those Enams
and not to the sixteen pootics
granted to Venkatacharlooos
ancestors.
