Fort Saint George, Revenue Consultation of 13*th July* 1858.

No. 11. Read the following Extract from the Proceedings of the Board of Revenue; dated 7th June 1858, No. 2005.

In Cons. 7th June 1858. Read letter from the Collector of Nellore, dated 22nd May 1858.

(Here enter No. 82.)

In Cons. 25th June 1857. Resolved that the above letter with its enclosure be laid before Government with reference to para. 9 of Extract Minutes Consultation, No. 577, dated 11th June 1857, Revenue Department.

With the letter recorded above, the Collector, in pursuance of the order of Government, submits two figured Statements shewing the Ayacut and cultivated extent as well as the former and present reduced assessment of the garden lands on which remissions were allowed in Fuslies 1264 and 1265 A. D. 1854-55 and 1855-56. It appears that the authorized reductions on these lands amounted, in those years, to Rs. 8,379-3-6, while the remissions granted fell short of that amount by Rupees 3,892-4-5. This is attributed to the partial cultivation of the Ayacut lands and to some of the villages having been relet after notification of the reduced rates.

	Ayacut Goortoos.	*Reductions.*	*Remissions.*
Fusly 1264.....	33 13 3½	2,956 11 4	2,752 10 5
1265.....	472 3 13½	5,422 8 2	1,734 4 8
	511 1 ½	8,379 3 6	4,486 15 1

2. The 52 villages referred to in para. 6 of the Extract Minutes Consultation cited above are all in the Sydapoor Talook and the five Shrotriums in three other Talooks. The 31 villages for which remission was asked are all situated, as supposed by Government, in the Sydapoor Talook with three exceptions.

(A true Extract.)

(Signed) G. S. FORBES, *Secretary.*

No. 12. ORDER THEREON, No. 938; dated 8th July 1858.

Para. 1. These proceedings call for no other remark than that the information supplied by the Collector of Nellore bears out the previous representation of the Board of Revenue "that the remission allowed for Fuslies 1264 and 1265 to the renters of certain villages in the Sydapoor talook on account of the modified rates of assessment on garden lands introduced in that District, greatly falls short of the authorized reduction." The authorized reduction on the Ayacut of the garden lands in these villages would have been for the above two years Rupees 8,379, whereas, the remissions granted for the same period was only Rupees 4,487, being below that amount by Rupees 3,892.

(Signed) T. PYCROFT,
Chief Secretary.
