No. 15. Extract from the Minutes of Consultation under date the 8th July 1858.

Ext. Mins. Cons. 7th August 1856, No. 831.

* *Dated 25th May 1857.*

† *Do. do. para. 2.*

Ex. Mins. Cons. No. 650 dated 26th June 1857.

The Government having called for returns in August 1856, of the number of cases of lapsed Inâms disposed of since the promulgation of the rules in 1848, the Acting Collector of Malabar reported* in May 1857 that none had been ever investigated in his District; but he at the same time expressed a doubt† whether there were any Inâms in Malabar to which the rules were applicable. The Government forbore from expressing an opinion on the statement made that no lapses of Inâms had ever been reported from Malabar, but they desired to know the grounds of Mr. Robinson's doubt. That gentleman had stated in his letter quoted above, that "he was having returns made with a view to placing this important "matter on a proper basis"; but another year has now passed and the Government have received no information on the subject. The Board of Revenue will be good enough therefore to request the present Acting Collector to report without further delay; besides explaining the grounds of the doubts expressed by Mr. Robinson, Mr. Grant will state what returns or registers there are of Inâm lands in his District; what amount of Revenue is supposed to be alienated, and whether even though no returns have ever been made to Government or the Board, the local authorities have made it their business to take cognizance of lapses.

(Signed) T. PYCROFT,
Chief Secretary.
