Minutes of Consultation

13th July 1858

Bach no 16

Order no 94/98 "July/1858

(Sonam).

941/2

Fort Saint George, Revenue Consultation of 13th July 1858.

No. 941.

No. 16. Extract from the Minutes of Consultation under date the 8th July 1858.

Since the first Promulgation, in 1848, of the Rules under which claims to lapsed Inâms are disposed of, Inâms have in many cases, been continued to the heirs of deceased holders as life grants. Of the Inâms so continued many have in all probability, under the terms of the orders issued respecting them, lapsed to the State. And the Government are desirous of knowing, whether any, and what safeguards exist to ensure to the State its just dues on such lapses occurring.

Except Malabar; from which District no cases have been reported.

2. The Board of Revenue will therefore be good enough to call upon all Collectors to report what system prevails in their respective Districts in this respect; and whether they consider that there is any certainty under the system that does prevail that Inâms will be duly assessed with the Public Revenue on the death of holders possessing only a life interest in them.

(Signed) T. PYCROFT,
Chief Secretary.
