Fort Saint George, Revenue Consultation of 13*th July* 1858.

No. 29. Read the following Extract from the Proceedings of the Board of Revenue, dated 6th July 1858, No. 2310.

Dated 23*rd June in Con.* 6*th July* 1858. Read letter from the Collector of Chingleput, reporting the conditions on which he has offered another portion of the Streehuricottah Jungles for rent.

(Here enter No. 176.)

Resolved that the above recorded letter be forwarded for the information of Government, with reference to Extract Minutes Consultation, No. 789, dated 9th June 1858, R. D.

2. Mr. Shubric has given notice that an eighth portion of the Streehuricottah Jungle will be leased during the ensuing Fusly, under certain conditions which he considers will protect the interests of the inhabitants, and preserve the Jungle from being too closely cut. As these conditions have already been published by Mr. Shubrick, the Board do not propose any change, although they think the second condition somewhat stricter than is necessary. The Board believe it to have been the intention of Government to prohibit sub-renting entirely, and they think that the Collector should be instructed to inform persons intending to compete for the farm, that such will be the rule. Mr. Shubrick will also be told to bind the renter to a faithful observance of the terms of the lease under penalties to be inserted in his contract.

No. 30. ORDER THEREON, No. 948; dated 10th July 1858.

The instructions proposed to be issued by the Board to the Collector of Chingleput, in respect to the rent of an eighth portion of the Streehuricottah Jungle during the present Fusly, are approved.

2. As documents in cases of contract are generally so laxly worded as to be almost useless, the Board should see that in the present case, the engagement of the renter clearly provides for a penalty for breach of its conditions, and that it is so framed as to be actionable at Law if occasion arise.

(Signed) T. PYCROFT,
Chief Secretary.
