No. 40. Read the following Extract from the Proceedings of the Board of Revenue; dated 17th June 1858, No. 2092.

In Cons. 4th May 1858. Read again letter from the Collector of Cuddapah, dated 6th April 1858.

In Cons. 17th June 1858. Read also letter from the same Officer, dated 25th May 1858.

(Here enter No. 46.)

Resolved that the letters recorded above, and their enclosures be laid before Government with the Board's recommendation that sanction be obtained for the entertainment of the servants marginally entered for the Travellers' Bungalows at Goorumcondah and Roychoty in the District of Cuddapah. Hitherto there has been no public Bungalow at Goorumcondah, but the old Palace at that place has been recently made available for the accommodation of Travellers. The Bungalow at Roychoty though constructed some time back has remained till now without a sweeper much to the detriment of the building, and the discomfort of Travellers. The Board do not consider that either Bungalow requires any further establishment. An application in the prescribed form accompanies these proceedings.

No. 41. ORDER THEREON, No. 953; dated 13th July 1858.

Ordered that an application in the usual form be submitted to the Government of India with the following recommendation.

"Goorumcondah is on the road from Bangalore to Cuddapah between the two bungalow stations of Maddunpully and Royachoty; it is eighteen miles from the former and 25 from the latter, and the utility of a bungalow at that place is apparent. A new road from Madras to Bellary by Peelair will also pass through Goorumcondah. The Government have therefore sanctioned in the Public Works Department the sum of Rupees 820 for converting into a Travellers' bungalow an old palace at that place which has already been used by Travellers, but which was in such a state of decay as to be likely to become a heap of ruins. Now that the building has been made suitable for the accommodation of Travellers, it is recommended that the establishment here solicited may be sanctioned at an early date for the preservation and cleanliness of the edifice."

"The bungalow at Royachoty though constructed some time back has remained till now without a sweeper much to the detriment of the building and discomfort of the Travellers. It is proposed therefore to employ such a servant there."

Chief Secretary.
