Fort Saint George, Revenue Consultation of 20th July 1858.

No. 13. Read the following Extract from the Proceedings of the Board of Revenue, dated 30th June 1858, No. 2247.

Read letter from the Collector of Chingleput, dated 4th February 1858.*

* *In Cons. 30th June 1858.*

(Here enter No. 36.)

Resolved that the above letter be submitted for the orders of Government, with reference to the Board's Proceedings, dated 19th January last, No. 264, and Extract Minutes Consultation, dated 1st February, No. 135, R. D.

In Cons. 3rd February 1858.

2. In the above Extract Minutes Consultation, Government sanctioned the sale of the ruined Bungalow at Baulchetty's Choultry, and the transfer of the one at Streepermatoor to the Public Works Department.

3. The Collector reports that the repair of the building at Rajah's Choultry would probably cost about Rupees 450, and he is of opinion that the whole line may be abolished with the exception of the building at Poonamallee.

4. At the latter station the number of Travellers last year was 76, and that of those at Streepermatoor and Rajah's Choultry was 51 and 42 respectively. These persons however are not the class for whom Bungalow accommodation was originally intended to be provided, and it rests with Government whether the line shall be maintained or not hereafter. Its retention will involve the cost of a new building at Poonamallee, the repair of the one at Rajah's Choultry and the batta and pay of three Sepoys and sweepers. Although the original Bungalow at Streepermatoor has been transferred to the Department Public Works, another building is available there for the use of Travellers. If the line is to be abandoned, the Bungalow at Wochary in North Arcot may also be given up.

About Rs. 13-10-3, per mensem.

5. A Bungalow at Poonamallee would doubtless be a convenience to persons visiting that station, but its utility will be materially affected by the decision at which Government may arrive in regard to the rest of the line.
