Fort Saint George, Revenue Consultation of 20th July 1858.

No. 29. Read the following letter from Lieutenant Colonel G. BALFOUR, Inspector General of Ordnance and Magazines; to the Secretary to Government Revenue Department; dated Fort Saint George, 7th July 1858, No. 157.

SIR,

In accordance with the instructions contained in para. 2 of the order of Government communicated in Extract Minutes of Consultation No. 776 dated 8th June 1858, I have the honor to state that, having ascertained from Mr. Blanford the description of paper required by him for the Geological Map of the Neilgherries I applied to the Superintendent of Stationery for the requisite quantity.

2. Of the descriptions of paper in store adapted for the purpose, the "Double Elephant" is the nearest that corresponds with the dimensions required, but there are only 24 quires of this paper remaining in store, so that it will be needless to calculate upon any aid from the Stationery Depôt in complying with Mr. Blanford's requisition. A special Indent will have to be submitted on the Honorable Court for meeting the wants of the Geological Survey Department and I await therefore the instructions of Government on the subject.

No. 30. ORDER THEREON, No. 974; dated 16th July 1858.

The Inspector General of Ordnance and Magazines will report if the papers required cannot be purchased from the local markets. He will state also the price of the paper if procurable and the total probable cost.

(Signed) T. PYCROFT,
Chief Secretary.
