Fort Saint George, Revenue Consultation of 26th January 1858.

No. 46. Read the following letter from C. W. READE, Esq., Collector of Vizagapatam ; to H. FORBES, Esq., Secretary to Government Fort St. George, dated Vizagapatam 4th January 1858, No. 6.

SIR,

In acknowledgement of an Extract from Minutes of Consultation under date the 10th December 1857, No. 1313, communicated though the Board of Revenue, I have the honor herewith to enclose one of each issue of the Vizagapatam Gazette as therein directed.

2. I beg to add in reference to the Proceedings of Government of date the 24th December 1857, No. 1356, that prior thereto I had arranged for the transfer of the management of the paper to other hands, and this I would gladly have done long ago, had I been able to secure the services of any one competent or willing to undertake it.

3. The gentleman to whom I have made over the interest and conduct of the Gazette is Mr. Armour recently employed by Government in connection with the oversight of the press at the Presidency, and now engaged as Tutor to the sons of the Rajah of Vizianagrum.

4. My letter to the Board which has been laid before Government will have explained my object instituting a local paper on my own account in the absence of a Government press, and the paper will now be continued under the title of the " Vizagapatam Chronicle," the designation Gazette being reserved for the Government service to correspond with other districts.

5. So many have already contributed a year's subscription to the paper, and it has met with so much success, that there is a difficulty in relinquishing the project, while I have felt that the wishes of Government would be sufficiently met by my own entire disconnection with it for the future, and this will at once take effect.

6. As I start on circuit tomorrow, and I shall probably be absent for a couple of months, I am hardly able so suddenly to establish a new Gazette under the Government rules, and I have not yet ascertained whether the Mission Press will be able to do the work of both papers, I would therefore with all deference solicit the Government indulgence, at all events until my return from my settlement tour, or until I have been furnished with a Press Establishment. Meanwhile, the Government may be assured that the "Vizagapatam Chronicle" insignficant as it may be will be conducted under Mr. Amour's management in a manner and spirit conducive to the best interests of both the state and its subjects.

No. 47. ORDER THEREON, No. 99 ; dated 26th January 1858.

The Government have no objection to the continuance of the " Vizagapatam Gazette " under the designation of the " Vizagapatam Chronicle " under the management of a gentleman unconnected with their service, agreeably to the rules in force regarding licenses.

Acting Secretary to Government.
