Order No. 994 & 20th July 1858

No. 66. Read the following Extract from the Proceedings of the Board of Revenue, dated 29th June 1858, No. 2224.

Read Government Petition No. 117 of 1858, from Rajah Caumy Nayany Bungaroo Mootha Rajoo Garoo, Zemindar of Choondy in Nellore.

(Here enter No. —)

In Con. 25th March 1858. Resolved that the report of the Collector of Nellore dated 10th February last, No. 20 and the Board's Proceedings dated 25th March No. 1085 be submitted for the information of Government with reference to their endorsement on the above petition.

Vide Extract from Zemindar's Cabooleat forming Enclosure in Collector's report.

2. When the Choondy Zemindary was permanently settled, a sum of Rupees 3,000 was *deducted* from the annual assets of the estate and allotted for the maintenance of the relatives of the proprietor to whom certain allowances were assigned by Government.

3. The Zemindar bound himself to make these payments and on the death of the original incumbents to continue to their families the whole or such portions of their allowances as the Collector, the Board, and Government might deem "equitable and proper on consideration of all the circumstances of the family of the deceased" such sums being discontinued "only on the failure of heirs."

4. The allowance to which the Zemindar now refers is one of Rupees 50 per mensem granted to C. B. Coomra Ankapa Naidoo and entered second in para. 5 of the Cabooleat. This person's father and the present Zemindar's father were brothers. The claims of the former (Ankapa Naidoo) to the Zemindary were considered and set aside in Extract Minutes Consultation 31st October 1839, No. 1346, Revenue Department and the pension above mentioned was granted for his maintenance on the terms already specified.

In Con. 11th November 1839.

5. On the death of Ankapa Naidoo the only point for consideration was whether the circumstances of his family warranted a reduction in the allowance originally granted and *deducted* from the assets of the Estate. Considering his relationship to the Zemindar and the number of relations he had left, the Board concurred with the Collector that the vague allegation of his having acquired private property did not afford sufficient ground for a reduction of the pension and they accordingly ordered its continuance.

6. It will be seen by reference to the enclosure in the Collector's letter that of the 3,000 Rupees deducted from the assets only Rupees 2,280 were assigned as pensions and some portion even of this last sum has since reverted to the Zemindar.

No. 67. ORDER THEREON, No. 994; dated 20th July 1858.

Ordered that the following endorsement be made on petition No. 1473 of 1858, and communicated through the Board of Revenue to Rajah Caumy Nayany Bungaroo Mootha Rajoo Gauroo, Zemindar of Choondy in Nellore.

"When the Choondy Zemindary in the District of Nellore was permanently settled, the Zemindar entered into a Cabooleat, or engagement, to assign out of the annual assets of the estate, on which the Peishcush was fixed, various monthly allowances for the maintenance of the different members of his family, to a total not exceeding 3,000 Rupees per annum; and these allowances he engaged should be hereditary, to be continued on lapse wholly or in part to the family of the deceased, as on a consideration of the circumstances of each case, might appear equitable to the Collector, subject to the approval of the Board of Revenue and the Government. One of these allowances was a payment of 50 Rupees per mensem to Caumy Nayany Bungaroo Coomara Ankapa Naidoo, brother to the grand-father of the present Zemindar. This C. N. B. C. Ankapa Naidoo died on the 3rd October 1857, leaving behind him two sons and one daugh-

ter, besides a brother and his wife and sons, in all eleven persons who composed the family. The Collector recommended the continuance of the full allowance of 50 Rs. per mensem to Navab Nasire, the eldest son of the deceased, for the maintenance of this large family; and the Board of Revenue, seeing nothing to warrant a reduction of the allowance so long enjoyed by the family, authorized the continuance of the full amount as the Collector had recommended. As the Government on a consideration of the circumstances set forth, are fully satisfied of the justice of the decision, they see no necessity for complying with the Zemindar's petition, to be furnished with a copy of the Collector's report to enable him to prefer an appeal to themselves."
