Proceedings of the Madras Government, Revenue Department, 14th April 1869.

No. 301. Read the following Proceedings of the Board of Revenue, dated 22nd March 1869, No. 1,969 :—

In his letter of the 15th January the Collector of North Arcot stated that the Progress Reports showed the weekly averages of laborers employed on Special Relief Works in the northern and southern Ranges of his district, as noted in the margin.

	Northern.	Southern.
Men	387	7,108
Women and children...	316	10,868
Total...	703	17,976

2. He pointed out, with reference to the failure, again, of the north-east monsoon, that large numbers of the agricultural classes were dependent on the public purse for the means of earning subsistence, and that Local Funds were nearly exhausted, and drew the conclusion that the operations in the southern and western Ranges could not be brought to a termination either wholly or partially for the next three months.

3. The Board accordingly submitted the matter for the orders of Government.

4. The three months alluded to by Mr. Robinson will expire during the first part of April, and the Board resolve to call on the Collector to state whether the condition of affairs, reported in his letter above quoted, still exists.

No. 302. ORDER THEREON, 14th April 1869, No. 1,013.
