**Proceedings of the Madras Government, Revenue Department,
18th January 1870.**

No. 208. Read the following Proceedings of the Board of Revenue, dated 12th January 1870:—

Read the following letter from the Acting Superintendent of Stamps, to the Acting Secretary to the Board of Revenue, dated Madras, 11th January 1870, No. 80.

With reference to the concluding paragraph of the Proceedings of the Madras Government, Revenue Department, dated 30th ultimo, No. 3,226, I have the honour to forward an Indent for Printing-ink, required for the use of the Commissioner of Paper Currency for impressing value-stamps, and for the use of this Office for impressing counter-stamps, for the year 1870-71, and for a year's reserve-stock.

2. I thought that it would be more satisfactory that one department, instead of two, should indent for the same article on the Secretary of State, and have therefore ascertained and included the requirements of the Commissioner of Paper Currency, which are much greater than those of this Office, in the accompanying Indent.

3. As soon as the Printing-ink now indented for is received, the quantity which may remain unexpended from that provided under my General Indent for 1870-71 on the Superintendent of Stationery, will be returned to that officer.

SUBMITTED to Government, with the request that the Indent may be forwarded to the Secretary of State.

No. 209. ORDER THEREON, 18th January 1870, No. 102.
