Proceedings of the Madras Government, Revenue Department,
15th April 1869.

No. 342. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, dated Camp at Mysore, 10th March 1869, No. 1,222:—

1. It is with great regret I have to report the death of Lieutenant Fullerton, Deputy Conservator, Madura and Tinnevelly Districts, very suddenly at Palamcottah.

2. The districts of Madura and Tinnevelly are at present under organisation, and I think that Lieutenant Walker should at once be transferred from Salem to this charge, and request that he may be gazetted.

3. Captain Gosling might at once be gazetted as 2nd Class Deputy.

4. Unless Government wish to bring in a Staff Corps Officer as a 3rd Class Deputy, (it is doubtful if any young Officer is available,) I think that the promotion should go in the department. Mr. George Cadell would then be promoted to 3rd Class Deputy and Mr. W. Cherry to 2nd Class Assistant from 3rd Class. I should in that case wish to transfer Mr. Cadell to the Salem Range, and Government should nominate a 3rd Class Assistant who will be posted to South Canara.

5. If the above arrangements are approved of, I request that they may be gazetted at once.

No. 343. ORDER THEREON, 15th April 1869, No. 1,034.

Forests, No. 7.

ORDERED to be recorded.

Nos. 342-343.

Lieutenant Fullerton, late of the Forest Department.—Conservator's letter reporting his death and proposing certain arrangements in connection with it, recorded.

of the 29th of Sept last you
will see that I tried hard
get this increase. I could not
again urge
well recommend it after this
Govt order. — It has never been
contemplated that Lieutenancies
promotion should depend upon
vacancies amongst Officers in the
higher grades — I may say that
case of Ferguson Jarvis &
Sheffield they have all given
from Sweepers & they are honest
hard working men but they
should not have the same Deposits
Commutation & their promotion
should I think depend
upon length of service & not
deportment &c. — Ferguson
has an ardent spirit but he

Pondaswamy Moodelly was
May 1858 as Head Asstt

has risen rapidly from an Assistant
on 80 ₹ Sub Asst on 150 + 30 ₹
then ₹ Asst Comr on 200 + 60 Rs
he now draws, he is quite unedu-
-cated & cannot write a simple
letter & will not study the languages
his pay is high I think but prospects
of the 300 have been held out to
him & he might be promoted to
this — Jarvis & Sheffield have only
been promoted lately from Sub Asst
& 3d Class Asst on acct of length
of service they and Ferguson might
rise by length of service &c to
300 & 400 ₹ but not I think
beyond this & it should not depend
upon vacancies amongst Military
& Uncovenanted Officers in the
higher grades

It will be soon to promote
Cherry but that is his luck
& his pay of 200 + 60 is very

Accounts of the Central
raised to the grade of
Comr agreeably to the
Government of India
dated

Sunnill for Wynaad & he can hardly live on it.

I sent in a report of these defalcations a day or two ago - we shall have to give up further & the value of 33000 Rs I am afraid - It is a downright case of robbery & evil ones have been effected from a man of his stand & character as evil it have occurred without immediate detection in any other range

Yours sincerely
