No. 88. ORDER THEREON, 6th April 1869, No. 554.

His Excellency in Council is not prepared at present to sanction so large an estimate as that now submitted for the alterations and additions required to existing buildings at Coonoor and Wellington, to render them suitable for the accommodation of short-sentenced prisoners. Under these circumstances, His Excellency in Council resolves to request the Commissioner of the Neilgherry Hills to make the necessary arrangements for having this work performed under his own superintendence, with the view of ascertaining whether it cannot be carried out in this way with greater economy.

2. The plans and estimates prepared in the Department of Public Works, with an extract from the Subsidiary Jail Committee's Report, (Proceedings of Government, Judicial Department, 16th July 1868,) will be forwarded to Mr. Breeks, who will submit to the Government his proposals for getting this work executed. On the receipt of Mr. Breeks' report funds will be placed at his disposal by the Department of Public Works for the immediate commencement of the buildings.
